Mission

The Louisiana Bar Foundation exists to preserve, honor and improve our system of justice by funding, developing or otherwise promoting efforts which enhance the legal profession, increase public understanding of the legal system and advance the reality of equal justice under the law.

Objectives

- Assure every person in Louisiana reasonable access to the justice system regardless of mental or physical condition, economic status or type of legal problem.
- Identify, acquire, preserve, enhance and exhibit documents, items, photographs and other types of media items of significant historical interest to the Louisiana legal community and to the general public.
- Promote public awareness and understanding of the legal system and its goals, as well as the rights and obligations of all parties involved.
- Raise the ethical and professional standards of the lawyers who operate the legal system.
- Establish and administer endowment funds, Interest on Lawyers' Trust Account (IOLTA) funds and other funds which can provide significant impact in fulfilling the goals of the Louisiana Bar Foundation.
- Support and enhance legal education in Louisiana.
- Improve the efficiency of the justice system while protecting the right to a full and fair procedure.

Louisiana Bar Foundation

"The tradition of service by lawyers is as old as the law itself.

We need not be reminded that the practice of law was considered a privilege long before it became a paid profession, so that the concept of service is innately part of our tradition."

President's Message

Donna D. Fraiche

The year 2005 was a very challenging one. In the early morning hours of Monday, August 29, Hurricane Katrina slammed ashore just east of New Orleans. The loss of lives, the displacement of many people as well as property damages are unlike anything ever seen before in the United States. Our homes were destroyed, families torn apart and our lives as we knew it were changed forever. Three short weeks later, Hurricane Rita hit central and southwest Louisiana.

It was essential to the state's recovery that the Louisiana Bar Foundation quickly rebound following the disasters. As a statewide funder of legal services, we believed serving our mission was more important and necessary than ever before.

Because of the unprecedented commitment of our volunteers, the Grants Committee was able to meet and timely submit their 2006 funding recommendations to the Board of Directors in early November. We were able to stay on schedule with the 2006 grants process and award \$1,477,471 to 49 grantees statewide. This amount represents an increase of \$500,000 over the previous year's grants.

Throughout this trying time, I am proud of the instrumental role the Foundation played in responding to disaster related legal service needs throughout the state. With the LSBA, we established the Disaster Relief Fund, Louisiana Legal Assistance Call Center Fund and Legal Infrastructure Recovery and Rebuilding Fund.

The Disaster Relief Fund provided immediate relief to assist attorneys who lost their offices and/or homes in the storm. The fund provided grants of \$500 to affected attorneys and established business centers for attorneys who needed work stations, internet access, printers, copiers and fax. We distributed more than 800 grants to displaced attorneys; established two business centers in New Orleans and another in St. Bernard Parish; and re-employed attorney positions with the Orleans Indigent Defender Office.

The Louisiana Legal Assistance Call Center Fund established the Call Center located at the LSU Law Center. The Call Center continues to provide legal information, advice or assistance to hurricane victims and has responded to more than 15,000 requests. The Call Center is open 5 days a week and is staffed by attorneys, law students and support staff. The Foundation made an initial donation of \$70,000 to establish the fund and received a JEHT Foundation grant to fund the Call Center for the first year.

Currently we are focusing on long term recovery and rebuilding of Louisiana's legal infrastructure. A joint task force of the Foundation and the Bar Association formed to develop criteria, policies and a long-term plan of action. The Legal Infrastructure Recovery & Rebuilding Fund was established by the Foundation's Board of Directors to receive

monetary donations for recovery efforts identified and prioritized by this task force. This fund has provided grants to the Orleans Indigent Defender Program and funded a study by the National Legal Aid Defender Association to address right to counsel issues of incarcerated citizens.

The end of the bar year came with a few silver linings. In addition to the tremendous outpouring of assistance from our colleagues, we have been successful with grant writing opportunities. One such opportunity was a grant award from Equal Justice Works which provides funding for two AmeriCorps attorneys to assist with legal services to disaster victims. Working out of the LSU Law Center, they collaborate with community legal aid providers and law schools to develop quality pro bono opportunities and programs; recruit and train law students to volunteer with pro bono projects; and provide ongoing management and coordination of those pro bono projects and volunteers.

In May, the Foundation received a \$400,000 grant, our largest grant in history, from the Louisiana Disaster Recovery Foundation. The funds were used for sub grants to legal service agencies, Call Center marketing and a project focusing on legal services data collection and analysis. We also received a \$40,000 grant from the Ford Motor Company Fund to assist in providing legal services to disaster victims.

As a committed partner in the recovery and rebuilding of Louisiana, we hosted the 3rd National Kids' Chance Conference in New Orleans in early 2006. This conference brought together program leaders from across the country to work on shared issues facing Kids' Chance programs. In May, we held our 20th Annual Fellows Gala, *Rebuilding Begins with the Foundation*, which brought together lawyers, judges and professors from across the state.

Although this year was a difficult one, through the efforts of our dedicated staff, board and volunteers we were able to rise above the challenges and position the Foundation as a leader in the recovery of our state's legal system.

Disaster Related Programs

The LBF worked to fund projects to help with the recovery and rebuilding of the state's legal infrastructure and several new disaster related programs were developed.

Pro Bono Legal Corps - Law Students in Action

Equal Justice Works awarded the LBF a Pro Bono Legal Corps grant in February of 2006. This grant allows the LBF to host two AmeriCorps attorneys. Their duties include collaborating with community legal aid providers and law schools to develop quality pro bono opportunities and programs; recruiting and training law students to volunteer with pro bono projects; and providing ongoing management and coordination of those pro bono projects and volunteers.

Disaster Relief Legal Services Grant Program

The LBF received a \$400,000 grant award from the Louisiana Disaster Recovery Foundation (LDRF) in May. With this grant, the Foundation serves as the LDRF designated non-profit partner for funding disaster related legal services.

With this funding, the LBF established the Disaster Relief Legal Services Grant Program. Eight grants totaling more than \$300,000 were awarded to agencies providing legal services to displaced hurricane victims throughout the state of Louisiana. The funds were used for salaries and benefits for staff attorney, paralegal or coordinator positions who directly provide legal services or facilitate the provision of legal services to affected persons. The following agencies received grants: Acadiana Legal Service Corporation, Baton Rouge Bar Foundation, Capital Area Legal Services Corporation, Louisiana Civil Justice Center, Metropolitan Battered Women's Program, Southeast Louisiana Legal Services, Southwest Louisiana Legal Services and The Pro Bono Project.

In addition, the LDRF grant also provided funding for marketing the call center to displaced citizens who are not aware of the services and for a project to collect and analyze data from the call center and legal service agencies. From this information a report will be developed that addresses the legal issues faced by Louisiana's displaced citizens. The information will be used to help our state address systemic legal issues post disaster.

*Donna D. Fraiche LBF President and Renae Conley
Louisiana Disaster Recovery Foundation Board member.*

IOLTA Program

The Interest on Lawyers Trust Accounts (IOLTA) Program is the result of a unique partnership between the banking and legal communities. This program provides an average annual revenue stream of \$2 million. With these funds, the LBF annually awards grants to Louisiana non profit organizations that provide access to the justice system and civil legal assistance to Louisiana's low-income citizens.

National Kids' Chance Conference

In April, the LBF hosted the 3rd National Kids' Chance Conference in New Orleans, at the historic Bourbon Orleans hotel in the French Quarter. The conference was originally scheduled in early February, to coincide with the American Bar Association convention. After Hurricanes Katrina and Rita crippled the ability of New Orleans to host large conventions, the LBF rescheduled the conference in an effort to boost tourism and welcome visitors back to the city.

Annual Fellows Gala

In May, the LBF held the 20th Annual Fellows Gala themed "Rebuilding Louisiana Begins with the Foundation," at the Houmas House Plantation in Gonzales. A cocktail reception in conjunction with a silent auction, celebrating the Fellows class of 2005 and the 20 year Fellows was held prior to a dinner. Honored at the dinner were 2005 Distinguished Jurist Jay C. Zainey, Attorney H. Alston Johnson III and Professors Dean Brian Bromberger and Chancellor Freddie Pitcher, Jr.

Awards

Grantee Excellence in Service and Programming Award

The Louisiana Civil Justice Center received the 2006 Grantee Excellence in Service and Programming Award for its 800 Legal Assistance Call Center. They were recognized for the services provided to the community, for promoting awareness and understanding of the legal system and for assisting with the administration of justice post disasters.

This award recognizes a grantee for an innovative, imaginative program and/or public service in the legal arena. The award emphasizes creativity of the idea, efficiency of execution, outcomes of the program, ability to be duplicated by other service programs and the ability to be flexible enough to change course as emerging needs arise.

President's Award

In 2006, Donna D. Fraiche awarded Frank X. Neuner, Jr. the President's Award for the leadership he displayed during the unprecedented devastation caused by hurricanes Katrina and Rita. The President selects the recipient based on dedication and commitment, volunteer service, leadership in major LBF accomplishments, willingness to volunteer for new projects and assistance to the President in addressing concerns facing the LBF.

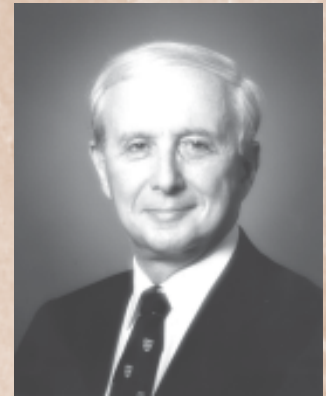

Donna D. Fraiche and Frank X. Neuner, Jr.

Horn Blower Award

In June, both Ann Scarle and Marta-Ann Schnabel were awarded Horn Blower Awards in recognition for their outstanding leadership, support and immediate response to legal community recovery and rebuilding efforts. Scarle and Schnabel have been tooting the horn of the LBF by bringing their civic minded actions full circle by helping to provide free disaster-related legal services for Louisiana residents.

Curtis R. Boisfontaine Trial Advocacy Award

John R. Martzell received the 2006 Curtis R. Boisfontaine Trial Advocacy Award. Martzell was selected for his long-standing devotion to excellence in trial practice and for upholding the standards of ethics and consideration for the courts, litigants and all counsel in his practice of the law.

John R. Martzell

This award was established in 1994 to honor Boisfontaine's contributions and to encourage others to emulate the standard to which he adhered.

Scholar-in-Residence Program

The Education Committee's Scholar-in-Residence Program is designed to enhance the Foundation's overall education program and to support legal education in Louisiana by bringing the practicing bar and Louisiana law schools together. During the two year term, the scholar produces an academic work.

The 2006-08 topic focuses on the impact of Hurricanes Katrina and Rita upon the legal system and the response of lawyers and courts to the challenge of providing legal services in the wake of the hurricanes.

Fellowship

LBF's membership, referred to as Fellows, consists of judges, lawyers and academia whose professional, public and private lives demonstrate their commitment to ensuring access to the justice system for all.
