LOUISIANA BAR
FOUNDATION
FUNDING CIVIL LEGAL AID

Mission

The Louisiana Bar Foundation (LBF) exists to preserve, honor, and improve our system of justice by funding, developing or otherwise promoting efforts which enhance the legal profession, increase public understanding of the legal system and advance the reality of equal justice under the law.

So, what does this really mean?

Who We Are and What We Do

For more than 30 years, LBF has been a trusted authority and the state's largest funder of free **civil legal aid**. We serve Louisiana's poverty population.

Our goal is to make sure that all Louisianans, regardless of their background or income level, have access to free **civil legal services** that they need.

Our decades of experience as a responsible steward of funds along with our well-established partnerships across all 64 parishes has allowed us to help hundreds of thousands of Louisiana residents gain access to the legal system.

LBF 2023-24 Executive Committee

What is Civil Legal Aid and Why Does it Matter?

Civil Legal Aid is free legal assistance provided to help people facing non-criminal, civil legal challenges.

Access to an attorney is not a fundamental right in civil matters.

Civil Legal Aid helps people with a range of issues, including assistance for veterans and military families, domestic violence, senior and elderly services, child welfare services, housing, and employment.

Access to **Civil Legal Aid** makes Louisiana's communities stronger by helping people to avoid foreclosure, protect themselves from domestic violence, gain custody of their loved ones, and safeguard their economic security.

Who We Help

- WOMEN and MEN who are victims of domestic violence
- CHILDREN who need a stable home or special education
- ELDERLY whose economic security or health care is in jeopardy
- CONSUMERS impacted by improper lending practices
- FAMILIES facing loss of their homes
- WORKERS denied lawful wages and benefits
- DISABLED people denied opportunities
- VETERANS with disabilities
- COMMUNITIES devastated by natural disasters

Eligibility for Services

Residents may be eligible for civil legal aid services if their family income is below 125% or 200% of federal poverty guidelines.

General guide for income eligibility for civil legal aid services.

Family Size	1	2	3	4	5	6
125% Poverty (No Assets)	\$18,225	\$24,650	\$31,075	\$37,500	\$43,925	\$50,350
200% Poverty (No Assets)	\$29,160	\$39,440	\$49,720	\$60,000	\$70,280	\$80,560

Legal aid offices do not discriminate on race, color, national origin, sex, sexual orientation, gender identity, disability, or age in the delivery of services or in its employment practices.

Asset limits may also apply. Limits may be higher for senior citizens aged 60+. This is a chart for general income guidance.

Why We Help

40% of Louisiana's population earn incomes below **200%** of the Federal Poverty Level.

Louisiana has more than **1.7 million** people who are potentially eligible for free civil legal aid.

We currently have **1** civil legal aid attorney for every **11,230** eligible people.

My Community Cares (MCC)

A community-driven, neighborhood-based approach to strengthening families and preventing child abuse and neglect in Louisiana.

Launched in four pilot parishes in 2019 to:

1. Build the capacity of local communities by providing services that support families with experience in the child welfare system.
2. Create a parish-wide organizational structure to gather information on services, make referrals and connect families with those services as well as with community members, judges, child advocates, attorneys, the Department of Children and Families Services (DCFS), schools, businesses, emergency responders, healthcare providers, churches, and nonprofit agencies.

My Community Cares Goals

- Decrease in incidents and repeat incidents of child abuse and neglect.
- Decrease in entries into foster care.
- Decrease in placement disruptions.
- Increase in family-based placement settings; and
- Decrease time to achieve permanency.

LBF Role

This year, LBF joined My Community Cares by awarding \$375,000 in funding for 5 full-time attorneys fully dedicated to MCC work in Caddo, Lafayette, Orleans, Ouachita, and Rapides parishes for the 2023-24 grant year. Types of cases handled by these attorneys are in the categories of domestic violence and family law, public benefits, consumer health and protection. LBF is committed to continued funding in 2024 and is currently accepting grant applications for this funding.

The purpose of the Commission is to “assure continuity of policy and purpose in the collaboration between the private bar, the courts, and the civil justice community so as to further the goal of assuring that Louisianans, regardless of their economic circumstance, have access to equal justice under the law.”

The **Louisiana Bar Foundation Kids' Chance Scholarship Program** is the state chapter of a national organization that awards scholarships to the children of Louisiana workers who have been killed or permanently and totally disabled in an accident compensable under a state or federal Workers' Compensation Act or law.

These work accidents often result in difficult challenges for the family as they struggle to overcome the financial burden of these losses.

Often a child's dream of going to college is crushed because of unexpected income loss and/or the necessity to forfeit an education for work to financially support other family members.

Since 2004, the program has awarded 337 scholarships totaling \$863,100.
