**Louisiana Bar Foundation Awards \$14.4 Million for Civil Legal Aid
2025-26 Grants**

The Louisiana Bar Foundation (LBF), awarded more than \$14.4 million in grants to assist women, children, the elderly, people with disabilities, the newly unemployed, and those facing loss of their homes with civil legal aid issues. Civil legal aid is free legal advice, representation, or other legal assistance provided to low-income and vulnerable people who cannot otherwise afford legal help. Access to civil legal aid makes communities stronger by helping people that need it most.

LBF is part of a statewide network of local nonprofits and civil legal aid organizations who serve the region's poorest citizens. These funds will provide services that go to the very core of the health, safety, and security issues many citizens experience. LBF President Edmund Giering said, "At the heart of our mission is the belief that justice should never be a privilege—it must be a right."

The grants for this year are listed below. The agencies that serve all of Louisiana are listed first in the statewide section. The remainder of the grants are listed by geographical area. Some agencies serve more than one geographical region of Louisiana and/or receive a grant in more than one funding category.
