## Interest on Lawyers Trust Accounts Program

The LBF IOLTA Program was **established by the Louisiana Supreme Court in 1985**. LBF administers IOLTA on behalf of the Court.

The IOLTA Program **requires** lawyers and law firms to establish interest bearing accounts for client deposits which are nominal in amount or expected to be short-term.

Because **IOLTA is tied to interest rates** paid by the banks holding IOLTA deposits, IOLTA income **fluctuates** as rates change in response to rates set by the Federal Reserve and other factors.

- ✓ LBF provides technical assistance to participating financial institutions and attorneys
- ✓ LBF handles establishment of IOLTA accounts, program compliance, and rate negotiation
- ✓ LBF maintains a list of eligible banks

## Interest on Lawyers Trust Accounts Program

---

**Increasing and sustaining** IOLTA revenues through periods of economic recession or stress remains an imperative for IOLTA programs contending with the persistently high level of unmet legal need among persons living in poverty.

---

**Unclaimed Funds** are client or third person funds on deposit in an IOLTA account for **at least two years** that after reasonable due diligence the owner cannot be located or the owner refused to accept the funds. *A lawyer who either remits funds in error or later ascertains the ownership of remitted funds, or the owner thereof, may make a claim to the Louisiana Bar Foundation, which after verification of the claim will return the funds to the lawyer or owner, as appropriate.*

**Unidentified Funds** are funds on deposit in an IOLTA account for **at least one year** that after reasonable due diligence cannot be documented as belonging to a client, a third person, or the lawyer or law firm. A lawyer who learns of Unidentified Funds in an IOLTA account must remit the funds to the Louisiana Bar Foundation.
